Enclosures: Ref. No. 3025/54-C. dated 21-7-1954. 195 .

Sir,

Community Projects--South Kanara--Bajpe--Primary Health and Medical Aid--Assistance of Civil Assistant Surgeon--Bajpe to cope up cases of air crash etc. Regarding.

Ref : 1.Letter No.0-14-262 dated 22-6-1954 from the Aerodrome Officer Bajpe
2. Ref.C.No.3025/54-C dated 28-6-1954 to Medical Officer, Primary Health Centre, Bajpe.
3.Doc the Civil Asst.Surgeon, Bajpe Ref.72/54 dated 13-7-54.

In his letter cited first above (Copy enclosed), the Aerodrome Officer, Bajpe, South Kanara, requested me to instruct the Civil Asst. Surgeon, Bajpe to attend his services to the Aerodrome whenever his services are requisitioned by the Aerodrome Officer. The Aerodrome Officer has mentioned the specific occasions, when the presence of the Civil Asst. Surgeon will be necessary. The instruction from the Primary Health Centre to the Aerodrome is attached to file.

Accordingly, I instructed the Civil Asst. Surgeon to proceed to the call of the Aerodrome Officer. But, the Civil Asst. Surgeon has represented that it may not be possible for him to attend to the calls of work on the plea that such work may interfere with his regular hospital work. He further states that such duties are outside his regular and legitimate duties. I hold this presumption of the Civil Asst. Surgeon is incorrect. The instances of the kind referred to in Aerodrome Officer's letter will be rare and there should normally be no difficulty for the Civil Asst. Surgeon in attending the Aerodrome when called, unless the Medical Officer is away to Bajpe on other duty or unless other more urgent and pressing work prevents him from doing so. A copy of Civil Asst. Surgeon's letter dated 13-7-1954 is enclosed, for kind perusal according to which he requires definite orders in the matter from competent authorities besides the instructions already issued by me.

I, therefore, request that the Civil Asst. Surgeon, Bajpe, may kindly be instructed suitably in the matter.

Yours faithfully,
A. Visvalakshi

Copy of letter No.C-14/862 dated 28th June 1954 from the Aerodrome Officer,Bajpe,Mangalore to the Project Executive Officer,Mangalore.

Sub:-Medical Assistance-Civil Aerodrome, Mangalore.

We are aware that the Civil Aviation Department has been maintaining aerodrome at Bajpe,Mangalore for the past one and a half years. This aerodrome, besides serving the internal services, also lies on the inter-national route Bombay- Colombo.

The medical facilities [illegible] and is used for the medical purposes whenever occasion arises. The equipment available at the aerodrome consists of an army type ambulance [illegible] four stretchers and two first aid field kits. A room in the terminal building is reserved for rendering first aid

In addition to the easy availability of medical aid from Bajpe village, where a district Surgeon is posted, it will be appreciated if instructions are issued to him to extend his services whenever requisition is made by the Aerodrome Officer. Assistance will be required when either it is known that aircraft in distress is likely landing here or whenever any V.I.P. as defined by the Government of India, visits the aerodrome, the Assistant Surgeon will be required to be present at the time of landing or take-off of the aircraft carrying such V.I.Ps.

This office may therefore, please be informed if such arrangements can be made.

The matter was originally taken up with the District Medical Officer,South Kanara, Mangalore who has directed this office to address you.

An early reply is requested.

2.Letter No.4011/54 dated 7-4-54 of Dt.Medical Officer,Mangalore to the Aerodrome Officer,Mangalore.

I am in receipt of the copy of correspondence from Aerodrome Officer along with Project Executive Officer's endorsement. (Vide Ref. 2nd cited.

In this connection I wish to state that I am the Asst. Surgeon attached to the primary health centre, Bajpe and also now in additional charge of primary health centre, Kehri. I have no objection to go to the aerodrome whenever I am in station, but my attending the aerodrome whenever the aerodrome officer requisitions my services at the time of landing and taking off of air craft carrying V.I.Ps is outside my regular and legitimate duties in community projects, and may interfere with my regular hospital work. I therefore request that the Director of Community Projects may kindly be requested in this matter and I may be given a clear and definite order in consultation with District Medical Officer,Mangalore, whether I should attend the aerodrome whenever the Aerodrome Officer requisition my services and at the time of landing and taking off of air craft carrying V.I.Ps.

In this connection I invite your attention to letter [illegible] dated 7-1-54 from Dt.Police Officer,Jangalpur to [illegible] in which it is clearly stated that it is not possible to locate the dust. Surgeon to be present at the Aerodrome [illegible] take off of air craft carrying V.I.Ps. [illegible] whenever reconnaissance is required and [illegible] that the air craft is in distress and intends landing [illegible] wherever air craft occurs.

In the absence of any authority to definite instructions [illegible] connection with my, proceeding on visits outside my regular [illegible], some opinion on the letter of Aerodrome Officer and the [illegible] to be replied to the call of the Aerodrome Officer and render the necessary assistance when ever required, I consider, may not be within the limitation of my powers and jurisdiction.

However, before I get definite orders in this matter from Important authorities, I am not in a position to respond to the call of the Aerodrome Officer whenever his requisitions or services.

Still under special circumstances and when air craft in distress or in air crash, without hindrance to my regular hospital duties, I shall be glad to do my best., and render all possible [illegible] service required.

In such matters where I have to work, beyond the jurisdiction of my duty, I require definite orders from competent authorities for compliance.

G.O.Ms.No. 1198 dated 4 6 55

The P.E.O., Mangalore in his letter cited has proposed that the Medical Officer attached to the Primary Health Centre, Bajpe may be instructed to extend his services to the Aerodrome, whenever his services are requisitioned by the Aerodrome Officer, Bajpe. The D.M.S. has recommended that the Aerodrome Officer may requisition the services of the Medical Officer, Bajpe in cases of emergency and that the Medical Officer may be paid at the rate of Rs.5/- per visit to the Aerodrome. The Govt. accept the recommendation of the D.M.S. and direct that the calls of Aerodrome Officer, Bajpe be complied with by the Medical Officer attached to the Primary Health Centre at Bajpe, provided such calls are limited to those ~~rare~~ rare occasions, when special circumstances warrant a requisition of the Medical Officer's services and not on all occasions, when an aircraft is carrying very important persons and the compliance of such calls does not interfere with his ~~xxxxx~~ regular work.

2. The Govt. also direct that the ~~Medial~~ Medical Officer be paid at the rate of Rs.5/- (Rupees Five only) per visit to the Aerodrome. The

Please see the letter from the P.F.O. Mangalore and its enclosures on pp.1-3 c.f.

He states that the Civil Asst.Surgeon of Bajpe was instructed by him to respond to the calls of the Aerodrome Officer whenever the Medl. Officer's services are required by him. But the M.O. refused to do so on the plea that such work might interefere with his regular work and that such items of works are outside his regular and legitimate duties. As the Civil Asst. Surgeon requires definite orders from competent authority, the P.F.O. Mangalore has requested the Govt. that necessary instructions may be given to him in the matter. The D.M.S. was asked to offer his remarks in the matter. In reply he has reported that if the Civil Asst.Surgeon is deputed to the Aerodrome at the time of landing and taking off, it will interfere with his routine work.

The Medical Officer's services may not be required everytime when an aeroplane lands or takes off. It may be convenient for the M.O. to visit the aerodrome if required outside office hours of the hospital. The distance between the hospital ie aerodrome is stated to be only one mile.

In the circumstances it is for orders er the M.O. may be directed to comply with the

p.t.o.

calls of the Aerodrome office, if made, outside the hospital hours.

H.E.L.A. may see for remarks.

8/11/54

The Medical Officer may be asked to comply with the calls of the Aerodrome Officer provided it does not interfere with his regular work.

11/11/54

But such calls may be limited to those rare occasions when special ~~H.E.L.A~~ circumstances warrant a requisition for the Medical officer's services and not on all occasions when an aircraft is carrying very important persons.
